

Many Dianics Sustain Prosperity

Member: one of the individuals composing a group; a part of a whole

Donor: one that makes a gift or bequest

Sustainable: a method of harvesting or using a resource so that the resource is not depleted

Prosperity: the condition of being successful or thriving

Dear Sister,

As a growing national organization, Temple of Diana is devoted to providing all women with the opportunity to express their Goddess-centered spirituality as individuals and within their communities. We are also strongly committed to challenging racism, classism, and homophobia within ourselves and our communities. The last year has been an exciting time for the Temple. Happily, we continue to expand and have begun the process of replanting Her Sacred Groves with Temple of Diana branches in Los Angeles and Michigan. Additionally, we have acquired sacred Temple land in Wisconsin where all Dianic women can once again worship Goddess in women-only space, rather than renting and transforming a secular space.

Temple of Diana needs your support. Along with the growth we have experienced over the last year have come additional administrative and financial expenses. We are a non-profit organization whose work is accomplished through the dedication of volunteer women who willingly give of their time, talents, and treasure. We hope you will show your support for our work and the terrific progress we are making by renewing or initiating your annual membership to Temple of Diana today. We also invite you to consider an additional tax-deductible donation to help offset the cost of operating the Temple and continuing to provide classes, workshop weekends, public rituals, and maintaining Temple land.

Many hands do indeed make light work. Your support feeds our success and the future of our Dianic community for our Maidens, for our Mothers and for our Crones. May the Dianic Community continue to spread its strong, growing roots beyond the reach of patriarchy.

Please return this letter with your tax-deductible membership renewal and/or donation today. You can also renew your membership by paying online via PayPal.

May your generosity be returned to you three-fold.

Sincerely,

Ruth Barrett, Religious Director

Membership Statement of Faith

Dianic tradition is a Goddess and woman-centered, earth-based, feminist denomination of Wiccan religion. To become a member of Temple of Diana, you must be a woman-born woman who resonates with, is in accord with, and is interested in exploring the basic principles of Dianic Wicca which follow:

The Goddess is all that is, was, and ever will be. The Goddess is primary. She is Whole Unto Herself, the Source of life and to whom all will return in death. She is the spinner, weaver, and She who cuts the thread. She is the Web of Life, Creator, and Creation.

Revere Nature as a core component of your spirituality.

Have a commitment to honor and restore meaning to women's lives through the celebrations of Women's Mysteries, the Wheel of the Year, and other life cycle events.

Be in accord with feminist ideology, and work for freedom and equality for all people with respect for differences in cultural, racial, ethnic, class, ability, and sexual orientation.

Practice a code of ethics that honors the Earth, Her creatures, yourself and others, that is equivalent to the Wiccan Rede, "An it harm none, do what you will."

Agree to use your energy for healing, transformation, and positive change.

To become a member we also ask that you keep Temple of Diana informed of your current address, and that you be 18 years or older, or have written permission from your parents/guardians.

Please sign below to indicate that you are in accord with the core principals of Dianic Wiccan religion.
